

*The  
Fruit of  
the  
Spirit*

Today we will be talking  
about a very special verse in  
the Bible from Galatians.

The fruit of the Spirit is love,  
joy, peace, patience,  
kindness, goodness,  
faithfulness, gentleness, and  
self-control.

Galatians 5:22

When God is working in us, we  
can tell because we will make  
wonderful fruit!

We are not talking about fruit like  
apples and oranges, but  
something much better than that!

The first wonderful fruit that he makes in us is LOVE.

Love is how we feel when we really like someone, and the actions we take to show them we care. How can we love other people?

Another wonderful fruit that  
God makes in us is JOY.

Joy is a good feeling deep inside  
you and bursts out with happiness.  
What makes you joyful?

Another wonderful fruit that  
God makes in us is PEACE.

Peace is when we  
don't fight with others  
and when we are  
happy with what we  
have been given.

When can you be  
peaceful?

Another wonderful fruit that God makes in us is PATIENCE.

Patience is waiting your turn nicely.

What is a way that you can show patience to your friends?

Another wonderful fruit that  
God makes in us is KINDNESS.

Kindness is helping other people  
who need it.

How can you help your friends  
today?

Another wonderful fruit that God makes in us is GOODNESS.

Goodness is choosing to do the right thing and not the wrong thing.

But sometimes we do the wrong thing. What can we do if that happens?

Another wonderful fruit that God makes in us is FAITHFULNESS.

Faithfulness is being loyal and having trust that God will do what he says in the Bible. And it's doing what we say we will do.

How can you be faithful?

Another wonderful fruit that God makes in us is GENTLENESS.

Gentleness is being tender with other people and animals.

How can you be gentle?

Another wonderful fruit that God makes in us is SELF-CONTROL.

Self-control is being calm when the inside of you is upset.

What upsets you?  
How can you be calm?

Sometimes we don't do things that God wants us to do.

When this happens we don't get to help other people, we hurt them instead.

But God helps us to say sorry and to fix up our mistakes.

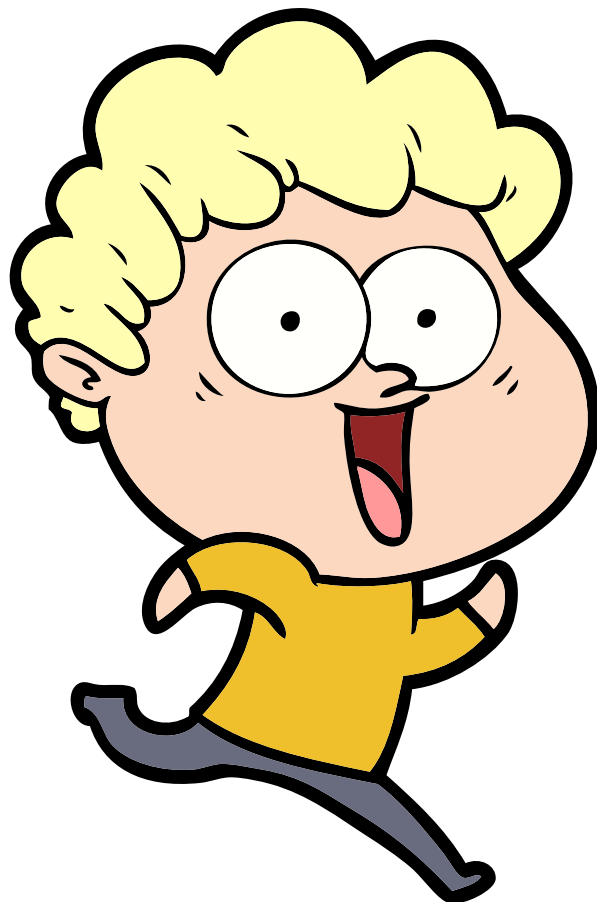

How good is that?

Do you remember when  
someone said sorry to you?

Have you ever said sorry to  
someone?

Did that help you?

Dear God,  
Thank you for all your  
wonderful gifts that you give to  
us. Help us to use these gifts  
to love you and to love other  
people. AMEN.
